NOTES

Textbook: AAOS Emergency Care and Transportation of the Sick and Injured, 11th Edition AAOS

Clinical Rotations begin on June 9th and must be completed by the end of the course. All clinical paperwork is due on August 25th. You will be required to complete 24 hours of hospital ED rotations (with a minimum of five (5) written Patient Contact Reports); and 40 hours of ambulance rotations (with a minimum of five (5) documented patient transports) at the approved clinical and field internship sites as outlined in the Student Policy Manual.
