

What is the Capital Improvement Advisory Committee?

The functions of the Committee are those set forth in Tex. Rev. Civ. Stat., Article 1269j-4.11, or any successor statute, and shall include the following:

- Advise and assist the City Council in adopting land use assumptions;
- Review the capital improvements plan regarding water and wastewater capital improvements and file written comments thereon;
- Monitor and evaluate implementation of the capital improvements program;
- File written comments with the City on the proposed capital improvements plan and impact fees not less than five days prior to the public hearing addressing the adoption of impact fees;
- Advise the City Council of the need to update or revise the land use assumptions, capital improvements program and capital recovery fees; and
- File a semiannual report evaluating the progress of the City in achieving the capital improvements plans and identifying any problems in implementing the plans or administering the capital recovery fees.
