

Who, What, When, and Where?

Transportation Safety Advisory Commission (TSAC)

Who?

The Commission is made up of nine (9) regular members and two (2) alternates. When a regular member is absent, an alternate will sit at the meeting as a voting member.

Terms are for two (2) years at which time Commissioners may apply for a vacant position. All volunteers must be a resident or employee of the City of Schertz.

What?

The purpose of the Transportation Safety Advisory Commission is to:

- Investigate safety issues and make recommendations with respect to our city's roadways.
- Improve our city's quality of life through a citizen/government partnership.
- Promote safe and secure roads which provide convenience and recreational and leisure activities and continued beautification of the City of Schertz.

Reviews Requests and Applications for:

- Speed Humps
- Speed Limit Increases/Decreases
- No Parking Zones
- Hike and Bike Lanes
- Yield/Stop Signs

When and Where?

The Transportation Safety Advisory Commission (TSAC) meets the first Thursday of the month (except January, July, and December). Meetings are held in the Council Chambers located at 1400 Schertz Parkway, Building 4.
