Re: Annual Racial Profiling Report

In accordance with the Texas Code of Criminal Procedure Article 2.134 the attached compilation of traffic stop information is submitted.

The required report must include the race or ethnicity of the individual detained, whether a search was conducted and if the individual detained consented to the search and if the officer was aware of the race or ethnicity of the individual before the stop was conducted.

The law specifically states that data collected as a result of the reporting requirements shall not constitute prima facie evidence of racial profiling. In fact, I believe the data supports the realization that the Schertz Police Department continues to ethically and impartially enforce the laws and ordinances for which we are responsible.

United in a spirit of teamwork, the Schertz Police Department, as a regional leader and in partnership with the Community, is devoted to excellence in innovative and proactive public service and safety while contributing to an exceptional quality of life.

Michael R. Hansen,
Chief of Police
